Dear George:

Reference our negotiations on Contract SP 1914, which were held 11 July 1956. Request you include in Data Requirements Section of above contract 120 copies of Pilot's Handbook, 68 copies Dash Two (-2) Handbook, 6 complete sets of aircraft drawings, and 1 set of reproductions of aircraft drawings.

Further request a contract be written to include the following services:

a. Four (4) aircraft, and two (2) autopilot technical representatives.

b. Twelve (12) contractor people for approximately five (5) months for depot support.

c. Technical training for approximately ninety-one (91) Air Force personnel at the contractor's plant.

Approximate costs, delivery schedules, etc., for the above articles are as agreed to during the negotiation, and/or, in some instances, will be furnished by the contractor.
